As of June 2010, the number of people executed since resumption of the death penalty in 1977 is 1217. The number of executions in 2010 is 29. To contact the governors by e-mail or for more information about persons to be executed, go to: www.ncadp.org and click on Execution Alerts.

We remember in prayer the families of the murder victims,
those who are to be executed or are on death row, especially the innocent and their families
and for all participating in executions done in our name.
We pray for all working for a moratorium to end the death penalty especially Helen Prejean, CSJ.
HOLD US IN YOUR MERCY, O GOD
